

Sica Family Single Mother Scholarship Application

The Sica Family Single Mother Scholarship at Virginia Commonwealth University was established as an endowment through gifts from Dr. Domenic A. Sica and family and friends. Dr. Sica is chairman of VCU's Division of Clinical Pharmacology and Hypertension and has been a professor of medicine and pharmacology at VCU since 1981. Dr. Sica's passion for helping people, especially teenagers, is evident through his aid to VCU students and to Richmond public school students over the last decade.

The VCU Office of Admissions works with the Richmond Public School System to award the scholarship to an incoming, full-time student on the Monroe Park Campus who is also a single mother. The award is based on merit and financial need (demonstrated from filing the Free Application for Federal Student Aid or FAFSA), and it can be renewed for an additional three years providing the student remains in good academic standing as determined by the University Scholarship Committee.

Only complete applications will be considered. **The application deadline is the July 1 preceding the start of the academic year.**
